

**Dr. Tim Fleiner**  
Research Associate  
Institute of Movement and Sport Gerontology

Head of the research group "geriatric psychiatry in motion" at the LVR-Hospital Cologne and the German Sport University Cologne

## Current Publications

Fleiner, T., Trumpf, R., Hollinger, A., Haussermann, P., & Zijlstra, W. (2021). Quantifying Circadian Aspects of Mobility-Related Behavior in Older Adults by Body-Worn Sensors — An "Active Period Analysis". *Sensors*, 21(6), [2121]. <https://doi.org/10.3390/s21062121>

Sperlich, E., Fleiner, T., Zijlstra, W., Haussermann, P., & Morat, T. (2021). Sarcopenia in geriatric psychiatry: feasibility of the diagnostic process and estimation of prevalence within a hospital context. *Journal of Cachexia, Sarcopenia and Muscle*. <https://doi.org/10.1002/jcsm.12748>

Stypa, V., Häussermann, P., Fleiner, T., & Neumann, S. (2020). Validity and Reliability of the German Quality of Life–Alzheimer's Disease (QoL-AD) Self-Report Scale. *Journal of Alzheimer's Disease*, 77(2), 581-590. <https://doi.org/10.3233/JAD-200400>

Trumpf, R., Zijlstra, W., Haussermann, P., & Fleiner, T. (2020). Quantifying Habitual Physical Activity and Sedentariness in Older Adults: Different Outcomes of Two Simultaneously Body-Worn Motion Sensor Approaches and a Self-Estimation. *Sensors*, 20(7), [1877]. <https://doi.org/10.3390/s20071877>

Fleiner, T., Dauth, H., Zijlstra, W., & Haussermann, P. (2020). A Structured Physical Exercise Program Reduces Professional Caregiver's Burden Caused by Neuropsychiatric Symptoms in Acute Dementia Care: Randomized Controlled Trial Results. *Journal of Alzheimer's Disease*, 74(2), 429-433. <https://doi.org/10.3233/JAD-191102>

## Current Projects

### Geriatric Psychiatry in Motion - A Multi- and Interdisciplinary Program to Promote Physical Activity Among Elderly Psychiatric Patients

Fleiner, T., Häussermann, P. & Zijlstra, W.  
01.01.14 → ...

### ChronoSense: Paul-Kuth-Stiftung ChronSense

Fleiner, T. & Trumpf, R.  
01.07.17 → 30.09.19

### CiMoDem: AFI CiMoDem

Zijlstra, W., Fleiner, T. & Häussermann, P.  
01.11.15 → 31.10.17
